Join us at the St. Croix East End Marine Park's (STXEEMP) new Visitor Center. This facility offers interactive learning experiences for visitors of all ages. Equipped with touch screen LCD displays , games, vibrant educational plaques, and an underwater walkthrough, the center is a great way to learn about St. Croix's marine habitats and natural resources.

Site Amenities

The STXEEMP Visitor Center lies perfectly en route to many of the island's other eastern destinations such as Carina Bay Resort, Jack and Isaac Bay Preserve and Point Udall. 15 minutes drive from Christiansted.

This facility is situated in a large breezy field with shade trees, picnic tables, beach access, restrooms and ample parking. The Visitor Center is wheelchair accessible.

Visitors can expect to spend at least 30-45 minutes in the facility.

Visitors are highly discouraged from climbing on the historical ruin located on the grounds.
