SEA TURTLE ASSISTANCE AND RESCUE

340-690-0474

Please call STAR if you encounter:

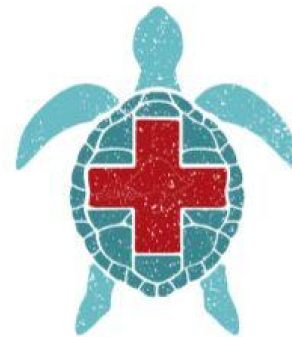

- A sick, injured or debilitated sea turtle.
- A dead sea turtle.
- Disoriented hatchlings that are not crawling toward the sea.

Report the following:

- Exact location of the turtle.
- The closest access point to the turtle.
- If the turtle is alive or dead.
- The approximate size of the turtle.
- Description of any injuries.

Follow the instructions given over the phone. If the turtle is alive, you may be asked to stay with the turtle until help arrives.
